NO PANIC VOLLEYBALL SEASON PACKET

NO PANIC VOLLEYBALL CLUB HAS ASSEMBLED A TEAM OF PLAYERS TO COMPETE AT A HIGH LEVEL THIS UPCOMING SEASON. PLAYERS WILL BE EXPECTED TO PLAY MULTIPLE POSITIONAL ROLES: SETTER, HITTER, AND DEFENSIVE-SPECIALIST. DURING THE SEASON, WE WILL WORK ON IMPROVING TECHNICAL SKILL, STRATEGY, AND TEAM CHEMISTRY.

OUR PLAYERS WILL BE COMPETITIVE, COMMUNICATIVE, RESPECTFUL, COHESIVE, AND HARD-WORKING. WE BELIEVE OUR PLAYERS SHOULD CONSISTENTLY DISPLAY A POSITIVE ATTITUDE AND STRIVE TO DO WHAT IS BEST FOR THE TEAM AND THEMSELVES.

YOUR TEAM WILL RECEIVE WEEKLY TECHNICAL TRAINING IN TEAM PRACTICE AND IN SKILL SPECIFIC WORKOUTS. COACHES WILL PROVIDE REGULAR FEEDBACK ON THE TEAM'S PROGRESS AS MEASURED IN PRACTICE SCRIMMAGES AND TOURNAMENT PERFORMANCES. PLAYERS WILL ALSO RECEIVE INFORMATION ON HOW TO IMPROVE THEIR SKILL, NUTRITION, RECOVERY AND CONDITIONING.

THOUGH WE ENCOURAGE PLAYERS TO BE A PART OF OTHER ACTIVITIES OUTSIDE OF VOLLEYBALL, WE ASK THAT PLAYERS RESPECT THEIR TEAMMATES BY MAKING THEIR COMMITMENT TO NO PANIC A PRIORITY. UNAVOIDABLE CONFLICTS SHOULD BE SHARED WITH COACHES AS SOON AS THE PLAYER IS AWARE OF THEM.

ALL NO PANIC TEAMS WILL COMPETE WITH MANY OF THE COMPETITIVE CLUBS IN THE REGION, WHICH INCLUDE BUT ARE NOT LIMITED TO TEAMS FROM VIRGINIA BEACH, PENNSYLVANIA, NEW YORK, NORTH CAROLINA

PLAYER EXPECTATIONS

YOU ARE CHOSEN FOR NO PANIC VOLLEYBALL TEAMS BECAUSE YOU HAVE A COMBINATION OF MENTAL AND PHYSICAL ATTRIBUTES THAT ARE CONSISTENTLY DISPLAYED BY SOME OF THE TOP VOLLEYBALL PLAYERS IN THE REGION. WE EXPECT YOU TO DEMONSTRATE THE FOLLOWING DURING THE COMING SEASON:

1. INTENSITY AND MOTIVATION.

- Players must be prepared to give 100% in practice every day. "Practice as you would play" is a phrase they will hear often during the season. All our players are strong athletes with the capacity to play at the highest level, but there is no substitute for hard work. Players will show respect for their coaches and teammates by coming prepared to do their absolute best every time.

2. MENTAL CAPACITY AND EMOTIONAL RESILIENCE.

- Players need to perform well under pressure and be able to shake off mistakes. The ability to put each game behind you and focus on the next challenge is a vital skill in both sports and life.

3. 'COACHABILITY' AND THE CAPACITY TO QUICKLY LEARN NEW TECHNIQUES.

- Players must be able to actively listen to instruction, adjust how they do things, and retain the skills taught to them. Work outside of practice will help players improve their skills even faster. If all players continue to study the game, practice little things at home, review videos, and take advantage of other opportunities to improve (i.e., open gyms, doubles, 4 vs 4 tournaments, private speed and jump training), we can build a very strong team.

4. DEDICATION TO THE TEAM.

- A team is only as good as its weakest player; therefore, it is in each player's best interest to help their teammates play to the very best of their ability. In practice, this means that we constantly enforce a positive and supportive environment for learning. Players who are afraid of making mistakes will not improve their skills. In tournaments, this means players let the coaches give instruction while players give encouragement. A team's emotional state on the court directly affects their performance. Players who are a negative presence on the court will find their playing time limited.

NO PANIC VOLLEYBALL'S METHODS ARE DESIGNED TO DEVELOP WELL-ROUNDED PLAYERS WITH THE MOTIVATION AND ABILITY TO COMPETE AT THE HIGHEST LEVEL POSSIBLE. OUR TEAMS HAVE BEEN CAREFULLY SELECTED WITH EXCELLENCE AS THEIR GOAL. WORKING TOGETHER, THEY WILL GAIN SUCCESS THROUGH THEIR DEDICATION, HARD WORK, AND UNDERSTANDING OF THE GAME.
